PREFACE

We present herewith the 1920 edition of the Paragould City Directory, and we trust that it will meet the requirements of all who may consult its pages. Neither time or expense has been spared in making a complete and thorough canvass and we feel assured that this edition far exceeds its predecessors and is as accurate as possible for any publisher to make it.

Population 7,443

In concluding, we desire to extend our thanks to the public in general for the courteous way in which everyone supplied our canvassers with the desired data.

THE LARGEST KODAK FINISHING PLANT IN THE STATE OF ARKANSAS

One of Paragould's Permanent Institutions, established in 1900. Having always kept abreast of the times in the latest achievements in the art of photography, it now has in addition to its thoroughly equipped portrait gallery a special department for the handling of amateur work and furnishing amateur supplies.

This department employs intelligent white help the year round, therefore guaranteeing the best service possible to render. Let us convince you of this by a trial order.

You will appreciate the superior results obtained by our method of finishing. "If it's in the film, we get it."
